Information model study plan

Lecture day model study plan of profile

	Priority in module registration
I	Recommendation of profile
II	Recommendation of profile, multiple execution outside of profile lecture days
III	Additional recommendation of profile

Please note:

It is not possible to choose modules that take place the same time; as the examination will usually be held at the same time as well.

Information execution and venue module/exam

	Lecture on-site in Zurich (with option passive streaming *); exam on-site in Zurich
	Lecture on-site in Winterthur (with option passive streaming *); exam on-site in Winterthur
	Lecture online; exam on-site in Zurich
FC	Flipped Classroom (pilot project): Lecture on-site in Zurich (no passive streaming guaranteed); exam on-site in Zurich

* To obtain the optimal learning outcome and the best preparation for the exams, it is strongly recommended to join the classes on-site and use passive streaming only as a fall-back solution.
